

## **“PROVIDING CHOICE”**

### **A CONSUMER’S PUBLICATION FOR SELECTING AN ASSISTED LIVING COMMUNITY IN KY.**

The Kentucky Assisted Living Facilities Association (KALFA) is very pleased to provide you with this order form for the “Providing Choice” consumer publication! Assisted living communities are required under KRS 194A.715 to make available to any interested person with a copy of KRS 194A.700 to 194A.729 and relevant administrative regulations and statutes. KALFA has revised the “Providing Choice” to include all of the changes made to the regulation in 2016. KALFA is making available to its members the opportunity to purchase the “Providing Choice” publication at our cost of \$2.00 per copy. The minimum order is 50 copies, which would be \$100 plus sales tax and shipping and handling!!

“Providing Choice” is an excellent publication to share with prospective assisted living clients, church groups, civic organizations, senior citizen groups, elected leaders, etc. All that you need to do is to complete the order form and email or fax the form to KALFA. You may also use your credit card (form attached).
